TWIGS

We have no definite news about the contract yet, but discussions are continuing with Swindon Borough Council and we hope to report a resolution soon.

In the meantime, it is looking as if the **NGS Day on Sunday 18 July** may be able to go ahead, which is good news indeed. We shall hope for better weather than in May too, although despite the clouds opening we took **£184** on teas and an amazing **£848.50** on plant sales! We hope all those purchases are flourishing in this gorgeous sunshine!

So, a huge thank you to everyone who helped and supported.
